## ISC Annual Business Meeting and Member Appreciation Night *Newly Elected Board Installed*

Alexander's Steakhouse was again the venue for this year's Annual Membership Meeting on Thursday, March 26 and as in the past we were not disappointed in the food and beverage that was consumed. Over 100 were in attendance including over 20 new members and from the looks of the empty kegs and food trays, all present had an exceptional time. In exchange for ISC members serving food at a Christmas party, Steve Shaw, Alexander's manager and ISC member again agreed to provide all the food for this year's meeting. Steve and his staff prepared a mouth-watering food extravaganza consisting of mixed salad, snack food, meatballs, shrimp cocktail, and cheeseburger sliders. Everyone in attendance who has attended previous meetings agreed that this food was fantastic! After the meeting and food, the NCAA 2nd round basketball games were on television.

**Election of Officers:** The ISC Board is characterized as a "working board," meaning there is a lot of work to do, all the time, and the board actively coordinates and executes the fund raising events and financial distributions. It entails a serious responsibility, but affords a rewarding experience for the benefit of youth sports. Rich Moore was thanked for his service as President and presented with a plaque.

The ISC Board for 2015-2016 was officially nominated, voted on, and sworn-in by past president Jeff Shaw (2004).

**President:** Jeff Doeden

**Vice-President:** Geoff Smith

**Secretary/Newsletter Editor:** Randy Perau

**Treasurer:** Jim Stoner

**Chairman of the Board:** Rich Moore

**Board Members:** David Hunt, Bob Joseph, Billy King, Ron King, Matt Meyer, Bill Molleck, Kelly Rickey and Greg Stewart.

**Annual ISC Budget...** In addition to the election of officers, the membership approved the budget for 2015-2016, as submitted by Treasurer Jim Stoner. For the 12th consecutive year, a separate line item for "Capital Projects" was included in the budget in the amount of \$10,000. Details on how to apply for funds from this very successful program can be found on page 4.

## 6th Annual City/Suburban Senior Boys & Girls All-Star Basketball Classic March 29

The Independent Sports Club of Central Illinois was founded on the premise that funds would be raised to provide Central Illinois youth the best sports programs in the country. What better way to showcase this creed than to sponsor an all-star basketball classic with games for senior boys and girls from the City Mid-State 4 Conference and the Suburban Mid-Illini Conference. Many of these players polished their skills and learned the game of basketball while participating in area youth programs financed in part with grants from ISC. In the last 20 years alone, over 30 area youth basketball programs have received more than \$53,000 in grants from ISC.

Nearly 300 family, friends and fans came out March 29 to support the area's best high school basketball players in what for many was the final basketball game of their prep careers.

For the sixth year in a row, the Independent Sports Club hosted the City/Suburban High School Senior All-Star Classic for boys and girls. This year's event was held at Dunlap High School, the sixth different site since the event's inception in 2010. The City teams were comprised of players from Manual, Notre Dame, Peoria High and Richwoods. The Suburban squads were filled with players from Mid-Illini Conference schools Canton, Dunlap, East Peoria, Limestone, Metamora, Morton, Pekin and Washington.

"It's fun getting to play with people I've never played with," Richwoods senior Xavier Parkman told the *Journal Star*. "It's a new experience."

Parkman and Ryan Maas of Pekin were selected as MVPs of their respective teams. Maas, who plans to attend Western Illinois University, scored 15 to lead Suburban to a 86-78 victory over the City. Parkman also had 15 points and 10 rebounds for the City. It was the third straight victory for the Suburban boys, following three straight City wins in the first three years of the contest.

The smallest player in the gym put on a big performance to lead the City girls to a 78-69 victory over Suburban, which also snapped a three-year skid. Manual's Marissa Simms, a 5-foot-2 guard headed to Kankakee Community College, was all over the court for her 17 points. With the Peoria High tandem of Ja'Keesha Hawkins (17 points) and

Israel Evans (19 points), Simms and the City held off a spirited comeback attempt from the Suburban girls. Washington's Jess Learned (18 points) and Pekin's Jesse Ulrich (game-high 22) led Suburban. Simms and Ulrich, going to Loyola University, shared

MVP honors. "I love playing with all these girls," Ulrich said. "They are so good and it pushes me to work harder."

Boys coaches Dan Ruffin (Peoria High) and Kevin Brown (Washington), along with girls coaches Bob Becker (Class 3A state champion Morton) and Ron Carruthers (Notre Dame) volunteered their time for the event. The games were officiated by Dave Seiler, Bill Seiler, Bob Sollberger, Shane Parker, Randy Leitner and Lenny Bruns, also volunteers.

## 2015-2016 ISC Capital Projects funds approved

### *Application deadline is July 31st for longer-term “brick and mortar” needs*

This is the eleventh consecutive year for our Capital Projects program and the projects are getting better every year! Through March 31, 2015, we have given out \$98,400 in grants to various youth sports organizations in the tri-county area. The ISC Board, as well as those attending the Membership Meeting, approved a budget amount of \$10,000 for the coming year specifically earmarked for this purpose. This allocation is intended to assist with medium and large sized “community” or “neighborhood” projects that need more significant support. These projects will have longer term impact than where our “annual” funding is directed, meaning these were going to be physical projects that last for a longer time and would contribute to the longer term benefit of area youth sports.

The board also developed a process and timeline for the evaluation and ultimate approval of capital projects to the ISC for consideration. The Board then has the option of disbursing some or all of the funds as it sees fit. The Board may decide to give all of it, or only a portion of it away, depending on need and nature of the deserving projects submitted. Additionally, it may divide it up between several deserving projects, or put it all toward one important project. This flexibility will remain with the ISC Board.

Following are some general elements of the process. Note the application requirements and the deadline of July 31st. This will be strictly adhered to.

#### **General guidelines for an acceptable application:**

1. Projects fitting our charter/mission...youth sports related.
2. Capital intensive...“brick and mortar,” physical items.
3. Long-term impact with high ISC visibility.
4. “Mid-sized” projects where our impact can be felt, but ISC not being the sole or predominant contributor. Neighborhood, not large, regional pan-community.
5. Heavier emphasis on communities with high ISC membership and projects led by ISC members.
6. Serious evaluation of the requesting organization and their people/leadership.
7. Contribute only after requester has shown success/making good progress in meeting their fundraising goals.
8. The higher the “taxing/tax-supported influence,” less likely we will consider.
9. Plans include approved ISC logo/signage, prominently displayed.
10. Successful applicants must submit a written report to ISC within one year of receiving funds indicating the progress of their project and how the ISC funds were used.

#### **Approval timeline:**

**May:** Announce the funding amount and solicit requests for submission.

**NOTE: July 31:** Deadline for request submission. **There will be no application form. The application will require a 2-page maximum essay-type description of scope, merit, and progress to date.** This document, submitted with supporting documentation of organization background, people involved, budgets and fundraising schedules and reports, should be mailed to: I.S.C. Box 5776 Peoria, IL 61601-9998. Questions regarding this program can be made to ISC Secretary Randy Perau at 309-696-9819 or rperau@mtco.com.

**August:** ISC board committee will evaluate and if necessary, seek further information and possible clarification from the various requesters, leading to development of a “short list” of possible successful leading projects. If needed, applicants may be requested to make an in-person presentation to the full board regarding their request.

**September:** Final approval by board and notification of successful applicants leading to distribution of funds at the October 5, 2015 ISC board meeting.

# NCAA Basketball Squares Boards a Great Success!!

One thing that is constant with ISC is the need to hold fund raising events to generate income in support of providing Central Illinois youth the best sports programs in the country. In that regard, President Jeff Doeden came up with the idea last summer of having a 100 squares board for the 2015 NCAA Men's Basketball Tournament. This idea was received well by the ISC Board, but the kicker was he wanted to charge \$100/square with payouts of \$8,000 and ISC retaining \$2,000. Also, access to the board would be on the internet. It didn't take long for Jeff to convince us that this concept would sell.

At our March 2 Board meeting Jeff advised that the \$100 squares board was essentially sold-out. Several Board members (the gamblers) suggested that there was still time to do another board but it should be for \$50/square with payouts of \$4,000 and ISC retaining \$1,000. That evening Jeff diligently proceeded to create the \$50/square board and it was sold-out within 10 days.

A special thanks to President Doeden for his efforts in creating this new ISC fundraiser and to the Board members who marketed the sale of these squares to the membership, friends, relatives, and neighbors.

# YOUTH SPORTS FINANCIAL AID REPORT:

ISC is organized to help provide Central Illinois youth the best sports programs in the country. To fulfill this pledge, we provide annual financial aid grants to various youth sports organizations throughout Central Illinois. These grants are used to offset expenses incurred to run the programs. Each organization fills out our application form and the ISC Board of Directors decides if the request is granted. At our recent Annual Meeting, the membership approved a financial aid grant budget of \$16,000.00 for fiscal year April 1, 2015 – March 31, 2016. Since 1996, ISC has provided \$265,000 in financial aid grants to youth sports groups. We are able to do this with the support of our membership.

Since the February 2015 newsletter, the ISC board has approved financial aid grants totaling \$4,750 (\$2,750 for last fiscal year and \$2,000 for this year) to the 10 youth sports organizations listed below.

Manual Girl's Basketball Tourn.....\$500	Future Stars Bidy Basketball .....\$500
Princeville Youth Baseball.....\$250	PGSL Girl's Basketball.....\$500
Washington Rec. Ass'n. Softball .....\$500	Richwoods Youth Baseball.....\$500
Washington Rec. Ass'n. Baseball ..... \$500	Justin Dehm Basketball Camp.....\$500
Washington Rec. Ass'n. Basketball.....\$500	Brimfield Youth Baseball .....\$500

Providing these annual financial aid grants to Central Illinois youth sports organizations is the backbone of the Independent Sports Club of Central Illinois. This is only made possible by the participation of our membership and friends in the various fund raisers held throughout the year.
