

Five organizations receive ISC Capital Improvement Grants

The Independent Sports Club of Central Illinois awarded five Capital Improvement Grants at the September meeting. Those groups receiving grants include Metamora Area Swim Team, The Christian Center, PAWW, and Blue Crew Wrestling Club. Not pictured is a representative from the Peoria Razorbacks Wrestling Club.

The ISC recognizes that youth sports organizations periodically need to make permanent improvements to their facilities. The ISC awards Capital Improvement Grants, also known as "bricks and mortar" grants, for projects such as dugouts, scoreboards, lighting, concessions, bathrooms and storage buildings.

We are able to provide these because of the amazing support from our membership. For more information on ISC Capital Improvement Grants, click [here](#).
